## Regulatory Requirements

All fasteners manufactured by Brainard Rivet Company are compliant with:

### ☞ **European Union's Restriction on Use of Hazardous Substances in Electrical and Electronics Equipment (RoHS) Directive 2011/65/EU.**

Our products do not exceed the maximum concentration value limits as specified by the Directive for the following restricted substances:

- Cadmium and cadmium compounds - 0.01% (100 ppm)
- Lead and lead compounds - 0.1% (1000 ppm)
- Mercury and mercury compounds - 0.1% (1000 ppm)
- Hexavalent chromium compounds - 0.1% (1000 ppm) (*except where requested by the customer*)
- Polybrominated biphenyls (PBB) - 0.1% (1000 ppm)
- Polybrominated diphenyl ethers (PBDE) - 0.1% (1000 ppm)

### ☞ **Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) requirements (through Annex XVII).**

The fasteners produced by Brainard Rivet Company do not contain any substances over the allowable thresholds (manufacture/import < 1 ton of a restricted substance each year). Additionally, fasteners produced by Brainard Rivet Company do not contain any substances over the allowable thresholds listed in the following:

- Joint Industry Guide No. JIG-101 Ed 4.1 (May 2012)
- Global Automotive Stakeholder Group (GADSL version 1.0 revised 2015-02-01)
- Substances of Very High Concern (SVHC) (161 substances on the Candidate List (last updated: 17 December 2014))

### ☞ **Conflict Minerals Regulations:**

- Some of our parts may contain Tin, which is sourced from Conflict Free suppliers that are conflict free certified, or have submitted for certification. Our EICC Conflict Minerals Reporting Template is available upon request.

### ☞ **California Proposition 65 Requirements:**

- Although our stainless steel fasteners contain small percentages of Nickel, an inert component of stainless steel, no exposure concerns are expected to be associated with the intended use of our products. No warning label is necessary.

### ☞ **MSDS Requirements**

- Our products classify as "Articles" and are therefore exempt from MSDS requirements. IMDS submissions are made available upon request.

Thank you,

Scott Felger  
Quality Manager
